The Audley Foundation

An update from John Nettleton, Trustee and Chair for The Audley Foundation.

With a lot of effort from Owners, the Audley/Mayfield Team and our Corporate Partners, we have successfully grown the Foundation enabling us to both support more Charities and give them more.

From funds raised in 2024, we will have given over **£67,000** to Charities nominated by you and retained **£10,000** for the Chatty Benches initiative. This compares to a total of £48,000 in 2023.

We will have given to over 30 Charities ranging from national charities to local ones. The biggest donor was the Care Workers Charity.

We added two Chatty Benches in 2024 and, as villages want to support this initiative, we hope to install four more in 2025.

The Audley Team raised more too. The Partners Day and the Corporate Dinner are becoming part of the Audley fundraising calendar. We also added Round the Pound which takes the pence from monthly salaries.

In 2025, we want to continue improving the existing fundraising events throughout Audley and Mayfield villages but are also adding a Raffle (details to follow).

We couldn't do this without the support of Audley Group who provide the administrative support, so all money raised can go to charity. We also rely on the support of Audley team members to provide 'behind the scenes' support.

Thank you for everyone's help making the Foundation a great success. We hope we can rely on your support this year. In these challenging times, it is certain that charities are desperately in need of our help.

"We very much appreciate the generous support of the Audley Foundation which is making a real difference to the lives of vision impaired people"
